Constant your identity. With **SignEx.**

SignEx is the only signage brand in India which can guarantee that all your signages will match the exact colour of your brand and there will be zero deviation in the colour.

Durable your identity. With **SignEx.**

At Aludecor, quality comes first and with our quality conscious practices, SignEx ensures the durability and longevity of your brand identity. Each SignEx product is compliant with Global Standard Quality parameters, passing through more than 100 stringent test metrics before going to market.

Best your identity. With **SignEx.**

Be it Bendable Polyethylene (PE) core or our indigenously produced Fire Retardant (FR) core, each SignEx Product is made with the finest raw materials that is being sourced from top of the line suppliers like Hindalco, PPG, Akzonobel, Beckers etc.

This ensures that your brand gets the best of the best signage material everytime.

Made-in-India your identity. With **SignEx.**

SignEx is a truly 'Made-in-India' product that is being manufactured at three manufacturing units spread over 37500 sq. mt. at Haridwar, Uttarakhand. SignEx comes from India's best-ever ACP production facilities that include 5 ACP Lamination Lines having an annual capacity of 56 Lacs Sq. Mt. Coil Coating Line with a capacity of 22,000 MT per annum.
